**GSI Flo** offers the latest in technologies, saving you time and money. Easily programmable electric actuators, air driven hydraulic systems and the latest filtration products are just a few of the solutions we provide our customers!

**Manufacturers We Represent**

Airvac	Dynamco	Kuriyama	Pneumadyne
Allied Witan	Dynamic Fluid	Lake Monitor	Sprague Products
Anver	Dynaquip	Lenz	Renco
Arrow Pneumatics	Enerpac	Linktech	Teledyne
Baldor	Foster	Marsh Bellofram	Thermal Transfer
Bimba	Freelin-Wade	Mead/MFD	Tompkins
Canfield	Gemco	Midland Metals	TPC Pneumatics
Curtiss-Wright	Hedland	Milwaukee Cylinder	TRD
Daman	Hy-Pro Filtration	Nason	Yuken Hydraulics
		Ogden Hydraulics	

**Product Listing**

Accumulators	Flow meters	Power units	Switches (timers)
Actuators (stepper & servo)	Fluid conditioning systems	Pressure regulators	Tanks & accessories
Air dryers	F-R-L units	Pressure switches	Test equipment
Air logic controls	Gauges	Pumps	Transducers (flow)
Boosters	Grippers & slides	Quick connect couplers	Transducers (linear & position)
Connectors (DIN, etc)	Heat exchangers	Rotary actuators	Transducers (press & temp)
Cylinders	Hose, hose assemblies	Switches (level & flow)	Tubing
Filter assemblies & elements	Mufflers	Switches (magnetic proximity)	Vacuum pumps & cups
Fittings	Motors	Switches (press, temp, vacuum)	Valves

**GSI Flo Fabricated Products**

- Leak Detection Systems
- Filtration systems and assemblies
- Air-powered Hydraulic Systems
- Power Units
- Testing Equipment
- Workholding Solutions
- Pressure Boosting Systems
- Pipe laying equipment
- Manifold, valve and hose assemblies
