

Manufacturers we represent

Airvac	Daman	Hedland	Ogden Hydraulics
Allied Witan	Dynamco	High Pressure Equipment: Graco	Renco
Anver	Dynamic Fluid	Kuriyama	Nordson Medical
Arrow Pneumatics	Dynaquip	Marsh Bellofram	Thermal Transfer
AW Lake	Foster	Midland Metals	Tompkins
Baldor	Freelin-Wade	Milwaukee Cylinder	TPC Pneumatics
Canfield Connector	Gemco	Nason	Yuken

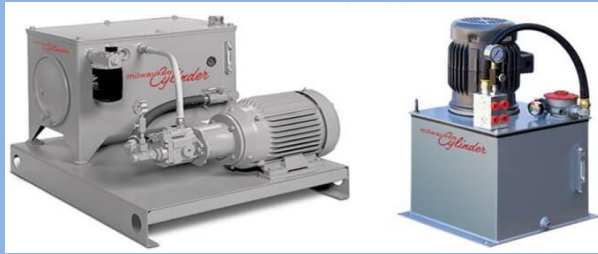

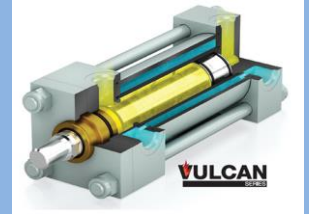

Product listing

Accumulators	Fluid conditioning systems	Pressure regulators	Tanks & accessories
Actuators (stepper/servo)	F-R-L units	Pressure switches	Test equipment
Air dryers	Gauges	Pumps	Transducers (flow/linear)
Air logic controls	Grippers & slides	Quick connect couplers	Transducers (position)
Boosters	Heat exchangers	Rotary actuators	Transducers (press/temp)
Connectors (DIN, etc.)	Hose & hose assemblies	Switches (level/flow)	Tubing
Cylinders (hydraulic & pneumatic)	Mufflers	Switches (magnetic prox)	Vacuum pumps & cups
Fittings	Motors	Switches (press, temp, vac)	Valves
Flow meters	Power units	Switches (timers)	

GSI Flo is part of the GSI Diversified family of companies

We represent world-class manufacturers of hydraulic, pneumatic and electrical components.
